Waste Pick up Prices

***Our drivers can make a case by case assessment**

For EHP Compliance a charge of \$5.50 per waste pickup will be charged with a WT# recorded on invoice.

	*Trade Wash Solvent	*Industrial Wash Solvent	*Solvent Sludge	*Paint Solids	*Water Based Trade Waste
20 L	\$11.00	\$22.00	\$21.00	\$30.95	\$30.95
60 L	\$27.00	\$48.00	\$54.00	\$92.75	\$92.75
200 L	\$88.00	\$124.00	\$199.75	\$309.20	\$309.20

*Trade wash solvent— Panel shops using clear over base coat systems.

*Industrial wash solvent—Industrial paint users using 2 pacs and enamels—line wash.

*Solvent sludge—More than 25% paint—not high solvent yield.

*Paint solids—More than 50% paint—very little solvent yield.

*Water Bases Trade Waste—Panel shops using water based base coat system—No solvent yield.
